CLARIFICATION

In connection with the advertisement dated 11 December 2018 for the posts of Managing Director, General Managers and Special Officers in Tripura State Cooperative Bank Limited, queries are being received that certain prospective applicants may have to take permission from the government or the previous employer before joining, or even before applying for the post, and that they cannot certify in the application that they will be available immediately for posting in TSCB Limited, if selected, as they will have to await the permission.

In this context, it is hereby clarified that:-

(1) There is no need for the prospective candidates to apply through proper channel, though there is no bar in him/her applying through proper channel, if so desired, provided the application is received in time.

(2) The candidate may indicate in the application form that he/she has sought permission from the government or previous employer to apply for the post, indicating the authority from which such permission has been sought. This will help in deciding whether and when the candidate is likely get the permission, if selected for the post.
